1993 Sweet Repeat: Jays win 2nd World Series

Manager	W	L	Pct.	Pos.	GA	Attendance
Cito Gaston	**95**	**67**	**.586**	**1st**	**+7**	**4,057,947**

World Series MVP Paul Molitor, who singled in the ninth inning of game six, scored the winning run in the World Series, crossing the plate behind Rickey Henderson after Joe Carter's home run launched Canada's second consecutive championship celebration.

QUITE SIMPLY, IT WAS THE GREATEST SEASON in the history of the Toronto Blue Jays franchise. In addition to becoming the first team to repeat as World Series champions since the Yankees of 1977 and 1978, the Jays also became the first expansion team in the history of the sport to win back-to-back World Series titles. In achieving this milestone, the Blue Jays staked their claim as one of baseball's most potent offensive teams.

As the Jays gathered in Dunedin for spring training, their main goal was to repeat as World Series champions. Devon White set the tone early, noting that "Last year we won it for Cito, this year we want to win it for ourselves." That task was not going to be easy. Eleven members of the 1992 championship squad were no longer with the organization. No team had ever repeated as World Series champions after as many personnel changes.

After Jimmy Key moved to the Yankees as a free agent, Pat Gillick signed Dave Stewart, one of the major league's most respected competitors and a three-time 20-game winner. Stewart, like fellow forkballer Jack Morris, excelled in post-season pressure. Ed Sprague, who spent most of 1992 as a catcher in AAA, was given the task of replacing Kelly Gruber at third base. Sprague had filled in admirably when Gruber was injured in 1991, but his ability to field the position and produce at the plate as an everyday player remained a question mark heading into the season.

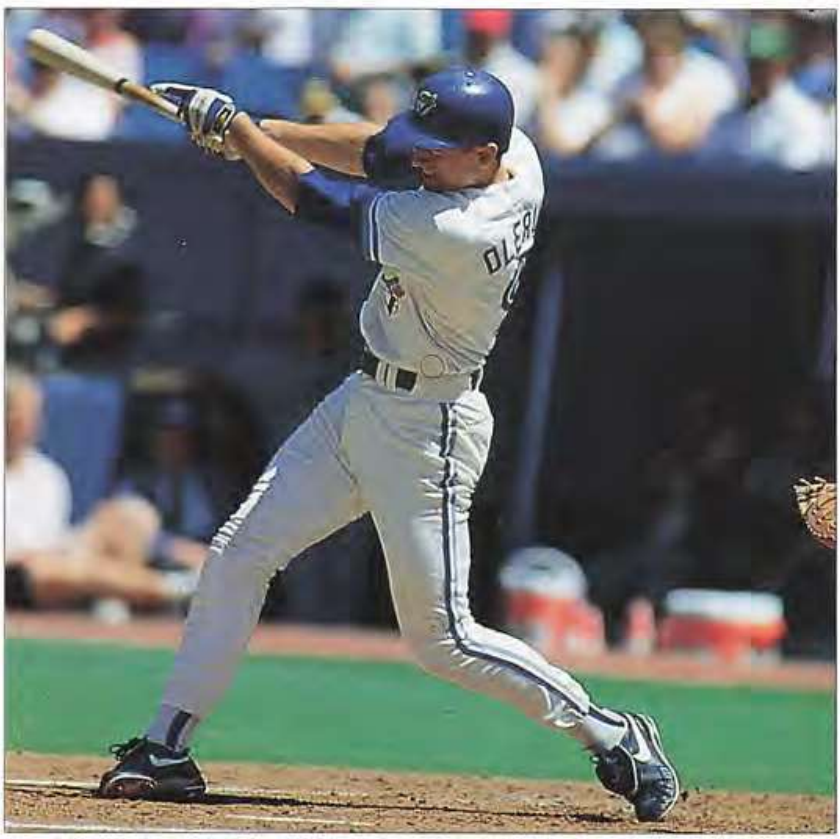
There was also the task of replacing Dave Winfield, the popular World Series hero who signed with Minnesota. Gillick pursued another free agent who could equal Winfield's talents both on and off the field. On December 8, 1992, Paul Molitor signed with the Blue Jays, ending the St. Paul, Minnesota native's 16-year association with the Milwaukee Brewers. Molitor brought a potent bat, excellent speed and a strong, positive attitude to Toronto.

Other acquisitions included Dick Schofield, a defensive specialist at shortstop; Darnell Coles, a handy bat and glove off the bench; Tony Castillo, a well-needed left arm out of the pen and Danny Cox, a workhorse middle reliever. When the club broke camp in preparation for the season opener in Seattle, the team was also without two other players who had figured in the 1992 World Series. Derek Bell, considered by many to be ready to start in left field, was traded to San Diego for Darrin Jackson while left-hander David Wells, who objected to being assigned to the bullpen, was handed his outright release.

Following a sluggish start, Gillick and manager Cito Gaston continued to adjust the lineup, releasing Ken Dayley, obtaining outfielder Willie Canate and demoting first baseman Domingo Martinez in the early weeks of the season. A victory over the Tigers on May 13 that evened the team's record at 17–17 was tempered by a serious injury to shortstop Dick Schofield, forcing the team to rely on Alfredo Griffin and rookie Domingo Cedano. Despite the loss of Schofield, the team went on a 18–6 run over the next 24 games. The club's success was coupled with the accomplishments of John Clerud, who was in the midst of a league-high 26-game hitting streak with a batting average well above .400.

On June 10, the Jays made a deal that solidified their march towards the A.L. pennant by bringing home long-time Blue Jay Tony Fernandez who was acquired from the New York Mets for Darrin Jackson. Fernandez, the franchise's career leader in triples and games played as a shortstop, paid instant dividends for the Jays, knocking home a career-high five RBIs in a 13–4 romp over Detroit. With Fernandez aboard, the Jays went on a 13–3 tear, returning to first place on June 26 with a 3–2 win over Milwaukee.

The club slumped just before the All-Star break, losing 10 of



John Olerud's sweet swing enabled the big first baseman to finish as the A.L.'s top hitter with a .363 batting average.

11. Still, the Jays went into the mid-season interval in first place with a 49–40 record. The first five hitters in the lineup, known collectively as WAMCO (White, Alomar, Molitor, Carter and Olerud), along with pitchers Pat Hentgen and Duane Ward and manager Cito Gaston, suited up for the A.L. at the All-Star Game in Baltimore.

The Jays approached the second half of the season anxious to break out of their recent slump. The organization's thoughts and prayers were with third base coach Rich Hacker, who was severely injured in an automobile accident while visiting his family during the All-Star break.

Pat Gillick added baseball's all-time stolen bases leader to the Jays' roster on July 31, obtaining Rickey Henderson from Oakland for prospects Steve Karsay and Jose Herrera.

For the remainder of the campaign, the Jays bent but never broke. Although they were tied for first place on twenty different occasions, Toronto never relinquished its hold on top spot. The club roared down the stretch, winning 16 of 18 games after New York had pulled into a first place tie on September 9. On September 27, with Duane Ward on the hill, the Jays turned a nifty 6-4-3 double play to clinch a 2–0 victory over Milwaukee and their third consecutive A.L. East title. Cito Gaston became baseball's first manager to win four division championships in his first five seasons. Over the course of the 162-game schedule, the Jays won a franchise-high 25 games in their last at-bat.

The individual accomplishments of the 1993 Blue Jays are remarkable. John Olerud, who was hitting .400 on August 1, became the first Blue Jay to win a batting title, leading all American League sluggers with a .363 average. Olerud also had career-highs in hits (200), runs (108), doubles (54), home runs (24) and RBIs (107). Olerud, Molitor and Alomar registered the top three averages in the A.L. to mark the first time since the Phillies accomplished the feat in 1893 that three players from the same team had finished 1-2-3 in a major-league batting race.

Paul Molitor also registered a career season, becoming the oldest player to record his first 100-RBI season when he hit the century mark on September 12. Molly was also the oldest player in baseball history to have 20 home runs and 20 stolen bases in the same season. His final average of .332 made him only the seventh player in major league history to hit at least .325 for two different teams.

Devon White was flawless in center field, Pat Borders was a stalwart behind the plate and Roberto Alomar had his finest season, establishing career-highs in average (.326), hits (192),

Ed Sprague's solid defensive play and .260 batting average turned third base from a question mark to a plus for the '93 Blue Jays.

HRs (17) and RBIs (93). Joe Carter demonstrated himself to be one of baseball's most consistent performers, hitting 30 homers for the fourth straight year while knocking in 100 RBIs for the seventh time in eight seasons. He also set an A.L. record with the fifth three-home run game of his career and set a team mark by becoming the first Blue Jay to hit two home runs in the same inning.

Despite injuries to Morris, Stottlemyre and Stewart, the Jays' pitching staff contributed to the team's success. Duane Ward anchored baseball's best bullpen, leading the league with a club-record 45 saves. Al Leiter, who overcame four years of arm troubles, contributed both as a starter and as a reliever. Pat Hentgen, who started the season in the bullpen, finished the campaign with 19 victories, the second-highest total in team history. Danny Cox appeared in a career-high 44 games while Juan Guzman ran his career mark to 40 and 11 with a 14–3 season.

Other keys to the season were Ed Sprague's play at third base and the return of Tony Fernandez. Sprague committed only 17 errors in 376 chances at the hot corner, while setting career marks in every offensive category. Tony made only seven errors at short, while contributing to the offense with a .306 average and 50 RBIs.

The 1993 American League Championship Series

The 1993 ALCS that opened in Chicago on October 5 featured a Blue Jays lineup in which every starter had at least 50 RBIs. Toronto blasted Cy Young Award winner "Black" Jack McDowell for seven runs and 13 hits to take game one 7–3 and Dave Stewart ran his Championship Series record to a perfect 7 and 0 with a 3–1 victory in the second contest. The key moment in the game came in the sixth when Stewart pitched out of a bases-loaded none-out jam without surrendering a run. Al Leiter and Duane Ward came on in relief to close out the game to give the Blue Jays a two-game lead.

World Series bound for the second consecutive season, the Jays celebrate their sixth-game series-clinching victory against the White Sox in the new Comiskey Park.

Back in Toronto, the White Sox tied the series with excellent pitching performances by Wilson Alvarez and Tim Belcher. Alvarez was touched for only seven hits in tossing a complete game in Chicago's 6–1 win in the third match while Belcher came on in relief to gain credit for Chicago's 7–4 triumph in the fourth game. Roberto Alomar guided the Jays to victory in game five, reaching base in every plate appearance as the Jays moved to within a single win of the A.L. pennant with a 5–3 victory.

A confident group of Jays took to the field against the Sox for game six and held a 3–2 lead after eight innings. In the ninth, the Jays exploded for three insurance runs, fashioned on Devon White's solo homer and Paul Molitor's two-run double to the gap in right center. Duane Ward closed out the game and the Toronto Blue Jays earned their second consecutive visit to the World Series. Dave Stewart, the winning pitcher in games two and six, was named series MVP.

The 1993 World Series – Jays vs. Phillies

For the first time in Major League history, the World Series began on Canadian soil as the Philadelphia Phillies, who had gone "worst to first" in the National League, met the defending champion Blue Jays. Juan Guzman got the call for the home side, while the Phillies responded with N.L. Championship Series MVP Curt Schilling. Guzman struggled for his control early on, allowing two runs on Darren Daulton's two-run single in the first. The Jays rallied in the home half of the second, tying the game with four singles and a fielder's choice. The teams remained tied through the middle innings thanks to a sparkling play by Robbie Alomar, who dove headlong to snare Lenny Dykstra's liner behind the first base bag. In the sixth, Al Leiter loaded the bases but escaped unharmed by striking out John Kruk on a 3–2 count. Moments later, John Olerud gave the Jays a 5–4 lead by pulling a Curt Schilling change-up into the right field seats. The Jays added three more runs in the seventh on four straight hits, allowing Duane Ward to mop up for a series-opening 8–5 win.

Game two featured a duel between Dave Stewart and Terry Mulholland, a wily lefthander who held the Jays to seven hits over 5⅔ innings. The big blow in this game came off the bat of utility outfielder Jim Eisenreich, whose towering three-run homer capped a five-run Philly third. The Jays pecked away at the deficit, pulling to within 5–3 in the sixth before Lenny Dykstra's solo shot off Tony Castillo gave the Phillies the insurance they needed to tie the series with a 6–4 victory. Mitch Williams, the Phillies' "Wild Thing" reliever, earned the save, nailing Roberto Alomar on an attempted steal of third base.

Much of the attention before game three was focused on Toronto manager Cito Gaston, who had to shift his roster to keep Paul Molitor's bat in the lineup. With the designated hitter rule being waived in the National League park, Gaston decided to bench batting champion John Olerud in favor of Molitor, who was slated to play first base. Molitor quickly rewarded his manager's decision by tripling home a pair of runs in the first inning and by knocking a solo homer in the fourth. He finished the game with three hits and three RBIs as the Jays motored past Philadelphia 10–3. Pat Hentgen, who struck out the side in the first inning, continued his mastery on the road, pitching six solid innings. Rickey Henderson helped ignite the Jays offense with a

pair of singles while Alomar pounded out four hits as Toronto moved into the Series lead.

In game four, Gaston rolled the dice again, sitting Ed Sprague in favor of Molitor at third base. The game, played in a freezing drizzle, was the wildest in World Series history. The Blue Jays, who twice trailed by five runs, rallied for six runs in the top of the eighth inning to win 15–14. Remarkably, the Jays racked up their impressive totals without the benefit of a homer. Despite horrendous weather, 29 runs and 32 hits, there were no errors in this four-hour, fourteen-minute marathon.

Philadelphia, with Lenny Dykstra providing the dramatics, jumped out to an early 6–3 lead before a bat-around third gave the Jays a 7–6 advantage. The Phillies answered with six more runs to lead 12–7 after five and were ahead 14–9 when Larry Andersen returned to the mound to face the Jays in the eighth. Robbie Alomar opened the frame grounding out to Dave Hollins at third, but after a double by Carter, a walk to Olerud and a two-bagger by Molitor, Phillie manager Jim Fregosi called for the Wild Thing to put out the fire. Williams surrendered a run-scoring single to Fernandez, a walk to Borders, a bloop single to

The Jays' hit total was later raised to 18 when a ball hit down the third base line by Paul Molitor was later judged by the official scorers to have been a double rather than an error. Henderson and a bases-clearing triple to White as the Jays surged ahead 15–14 in one of the most sensational World Series comebacks in history. The Jays stopper, Duane Ward, pitched a 1-2-3 ninth to put Toronto a single win away from its second World Series championship.

In stark contrast to the offensive onslaught of game four, the fifth match was a pitchers' duel between game one starters Curt Schilling and Juan Guzman. Schilling kept the Phillies hopes alive by limiting Toronto to five singles in a 2–0 complete game masterpiece. Once again, Lenny Dykstra was the catalyst, leading off the game with a walk, stealing second and scoring on a John Kruk groundout. Schilling's heroics sent the Series back to Toronto, ensuring that baseball's ultimate prize would be decided in a ballpark outside the United States for the first time in history.

Game six opened with Dave Stewart striking out Lenny Dykstra and ended with the a home run that

rivaled Bobby Thompson's shot in 1951 and Bill Mazeroski's blast in 1960. The Jays jumped on Phillies' starter Terry Mulholland early, piling five runs on the board in the first four innings. Stewart appeared to be in full control, although two Toronto errors in the fifth forced him to battle out of a bases loaded jam. In the sixth, Stew ran out of gas, surrendering a mammoth three-run blow to Dykstra and a single to Mariano Duncan before giving way to Danny Cox. The reliable Cox was unable to stem the Phillie tide, allowing two more runs as Philadelphia battled back to take a 6–5 lead.

Toronto had a great opportunity in the eighth inning but crafty veteran Larry Andersen enticed Pat Borders to pop up, ending a bases-loaded threat. Although the Jays failed to score, their eighth-inning threat ensured that the top of their potent batting order would lead off the bottom of the ninth. After Duane Ward retired the Phillies in the top of the frame, Mitch Williams took the mound in an attempt to save the most important game of the Phillies' season. Rickey Henderson, who has walked more than 1,400 times in his career, watched four straight balls miss the

strike zone and trotted to first. Devon White skied a fly ball to left for the first out before Paul Molitor slashed a single to center, moving Henderson to second. Joe Carter then stepped in, took two balls and a strike before swinging through an inside slider to even the count at 2–2. Williams tried to sneak another inside slider past Carter, but Joe connected on the offering, hooking it deep down the left field line. Every person in the sold-out SkyDome watched the flight of the ball. When it cleared the left field wall just above the 328-foot sign, there was an explosion of emotion. Carter hip-hopped around the bases as his teammates gathered at the plate. As soon as he touched home, he was lifted on his teammates' shoulders and carried to the clubhouse. Carter's home run was only the second Series-ending homer in baseball history and is the only instance of a round-tripper that catapults a team from trailing in a game to clinching the World Championship.

An emotional Paul Molitor, who batted .500 with 12 hits and eight RBIs, was named the World Series MVP.

The following day, the Blue Jays paraded through an overflowing throng of fans along the streets of Toronto on their way to a special celebration in SkyDome. Once inside, Cito Gaston and retiring bullpen coach John Sullivan unveiled the 1993 World Series Championship banner.

Once again, the Toronto Blue Jays and their fans combined record-breaking attendance and record-breaking performance en route to a championship season.

THE 1992 JAYS were a well-balanced team supplemented by the addition of Dave Winfield, Jack Morris, Alfredo Griffin and David Cone. After clinching their third consecutive A.L. East title, the Jays cruised past the Oakland A's in six games to reach the World Series for the first time.

Ed Sprague stroked a two-run pinch-hit home run to give the Jays their first lead in game two of the World Series

Toronto's opponents in baseball's first international World Series were the Atlanta Braves. After an opening game loss, the Jays won three consecutive games, two of which were the result of dramatic ninth-inning come-backs. Atlanta bounced back for a win in game five, but the Jays made baseball history in game six, winning the Series with a 4–3 victory in 11 innings. The key hit was Dave Winfield's two-out double down the left field line. Two days later, Winfield unveiled the banner the city and the team had been waiting 16 years to see: Toronto Blue Jays, 1992 World Series Champs.

THE JAYS acquired Devon White, Joe Carter and Roberto Alomar for 1991.

Heros for the Jays included Juan Guzman, who set a team record with 10 consecutive victories, and Joe Carter who drove in 108 runs. Roberto Alomar led all regulars with a .295 batting average. Tom Henke had 32 saves while Duane Ward had 23.

Despite losing to the Twins in the ALCS, the season was a successful one for the organization as the Jays became the first team in baseball history to draw 4,000,000 fans.

IN 1990, THE BLUE JAYS were unable to combine pitching, hitting and defense to produce a prolonged winning streak. The club held or shared the lead throughout the final month of the schedule and stayed in the chase until key losses to Boston and Baltimore in the final week ended the team's pennant hopes.

David Wells joined the rotation in 1990, making 25 starts. He pitched a career-high 189 innings and finished at 11–6.

The 1990 season did see several rookie ballplayers make their marks with the club. First baseman John Olerud had 14 HRS and 48 RBIS while Glenallen Hill added 12 HRS in 84 games. Pat Borders was behind the plate when Dave Stieb pitched the first no-hitter in franchise history against Cleveland on September 2. Stieb also pitched the 100th complete game of his career in 1990, shutting out Oakland 1-0 on May 28.

Kelly Gruber hit .290 with 73 RBIs.

THE JAYS WON THEIR SECOND A.L. East crown in 1989, enduring a slow start and a managerial change before putting together a strong second half.

The club played its SkyDome opener on June 5, recording a 17-10 mark for the month. By the All-Star break, the club was tied for fourth place. In early August, Lee Mazzilli and Mookie Wilson were added.

With a team record 20 wins in August, the Jays pulled into a first-place tie with Baltimore on the last day of the month. Back-to-back wins over the Orioles on the last weekend of the season clinched the A.L. East Division title. George Bell (104 RBIs) and Fred McGriff (36 HRs) powered the offense.

In the ALCS, the Jays lost to the Oakland A's in five games.

THE JAYS WERE PLAGUED by injuries and a slow start in 1988 and trailed the A.L. East leaders by 11½ games in mid-July.

After the All-Star break, the Jays played consistent baseball, posting the Division's best second-half record with 45 wins, 22 of these coming in the stretch drive.

The Jays led the league in home runs (158), triples (47), total bases (2330) and slugging percentage (.419). Fred McGriff's 34 homers led the A.L., as did the pitching staff's 17 shutouts. George Bell stroked 24 homers and added 97 RBIs. Jimmy Key recovered from arm trouble to go 12-5 and Dave Stieb tossed three one-hitters over the course of the campaign. Tom Henke saved 25 games while Duane Ward posted a 9-3 mark in 64 appearances.

Fred McGriff led the club with 34 HRs and 100 runs scored in 1988.

Newcomers Pat Borders (.273) and Rob Ducey (.315) were pleasant surprises. Kelly Gruber (16 home runs) and Tony Fernandez (.287) solidified the infield with excellent defense and made consistent contributions at the plate. The future looked bright.

THE JAYS 10TH SEASON saw both Jesse Barfield and George Bell drive in a club record 108 runs. Barfield hit a Jays' record 40 homers, while Bell hit 31 dingers and 38 doubles. Tony Fernandez led the club with a .310 average. All three were selected to post-season All-Star teams and Barfield and Fernandez became the first members of the Blue Jays to win Gold Glove awards. Rick Leach hit .309, with ten pinch-hits.

All-Star Jesse Barfield hit 40 HRS.

Inconsistency plagued the starting staff. Jim Clancy lost his final seven decisions while Dave Stieb lost his first six decisions to finish at 7–12. Lefthander Jimmy Key, also winless in his first six starts, finished at 11–11. Mark Eichhorn, who won 14 games and set the club record for lowest ERA at 1.72, was selected as rookie relief pitcher of the year by *The Sporting News*. Tom Henke continued as the team's top stopper, finishing with a club record 27 saves.

IN AN ATTEMPT TO IMPROVE their bullpen, the Jays acquired relievers Dennis Lamp and Bryan Clark.

After a streak of 19 one-run victories in the first half of the season, the Jays dropped 25 of 40 one-run games over the rest of the schedule. They finished with 89 wins, finishing in second place behind the Detroit Tigers.

Dave Collins won Player of the Year honors with 41 extra base hits and 60 stolen bases. Lloyd Moseby hit .280 with 18 homers and 39 stolen bases. Rance Mulliniks hit .324, the best mark on the club.

Doyle Alexander's first full season as a Jay saw him lead the staff with 17 wins.

Doyle Alexander had a great year on the mound, going 17-6 with 262 innings pitched and 11 complete games. Stieb had another fine year at 16-8 with an ERA of 2.83. Jim Clancy and Luis Leal each won 13 games.

For the first time in franchise history, more than two million fans made their way to Exhibition Stadium. The Jays were a good team, but a piece or two was still missing from the championship puzzle.

Newly-acquired leftfielder Dave Collins gave the Jays speed on the bases.

THE JAYS BECAME CONTENDERS in 1983. The club's designated hitters – primarily Cliff Johnson and Jorge Orta – hit 34 HRs and 113 RBIs. The Jays' .277 average led the A.L.

Lloyd Moseby, who became the first Jay to score more than 100 runs, hit .315 with 18 home runs, 81 RBIs and 27 stolen bases. Willie Upshaw became the first Jay to record 100 RBIs, hitting 27 homers to share Player of the Year honors with Moseby. Damaso Garcia had another strong year, finishing at .307 with 31 stolen bases. The outfield featured Jesse Barfield, who hit 27 home runs, and newly-acquired Dave Collins, who platooned with Barry Bonnell and George Bell. Bonnell hit .318.

The pitching staff consisted of Stieb (17–12), Clancy (15–11), Leal (13–12), Jim Gott (9–14) and Doyle Alexander (7–6), who had been released by the Yankees in June. The 1983 season marked Toronto's first exposure to pennant fever.

BOBBY COX'S FIRST SEASON as manager saw Willie Upshaw take over at first base after John Mayberry was traded. Upshaw had 75 RBIs and 21 HRs. Damaso Garcia hit .310 and stole 58 bases. Jesse Barfield, who hit 18 HRs and finished second in the league with 15 outfield assists, was selected as the club's Rookie of the Year.

Damaso Garcia earned Labatt's and BBWAA Player of the Year honors in 1982.

Platooning was an important part of Cox's strategy, utilizing Garth Iorg and Rance Mulliniks at third and the tandem of Ernie Whitt and Buck Martinez behind the plate.

Dave Stieb, who led the league in innings pitched and complete games, won a club-record 17 games. Jim Clancy posted a 16-14 record and Luis Leal gave the Jays a reliable third starter with a 12-15 record and 250 innings pitched. Dale Murray was the Jays' relief ace, with eleven saves and eight wins in 111 innings pitched.

Despite a strike-shortened season, Dave Stieb pitched 184 innings in 1981.

IN A SEASON SPLIT IN HALF by a players' strike, the Jays combined the worst start and the strongest finish in the club's five-year history. Dave Stieb became the Jays' first regular starter to win more than he lost, finishing the year at 11–10 with an ERA of 3.19. Righthander Luis Leal was 7–13 with a 3.68 ERA in 130 innings pitched. In the bullpen, Joey McLaughlin recorded 10 saves and a 2.85 ERA and Roy Lee Jackson, acquired from the Mets for Bob Bailor, had seven saves and an ERA of 2.61.

Damaso Garcia had an excellent second half for the Jays, hitting .375 before breaking his wrist in late August. Jesse Barfield and George Bell began to play regularly, joining Lloyd Moseby in the outfield. In his first full season with the Jays, Moseby tied John Mayberry for the club lead with 43 RBIs.

TWO EXPERIENCED HITTERS – Rico Carty and John Mayberry – joined the Jays for 1978. Although each hit 20 home runs and combined to drive in 138 runs, the team was outscored by 185 runs over the course of the campaign.

Rookie centerfielder Rick Bosetti, who had 17 assists, established what would prove to be a Blue Jays tradition of fast, young outfielders. Roy Howell had 10 homers and 61 RBIs.

Sophomore Jim Clancy won ten games while Victor Cruz topped all Toronto relievers with nine saves and an ERA of 1.71. Tom Underwood got the win in the highest-scoring game in Jays history, a 24–10 win over Baltimore on June 26.

Victor Cruz had nine saves, seven wins and an era of 1.71.

In the June free-agent draft, the Jays selected outfielder Lloyd Moseby. Down in "A" ball, 18-year-old Jesse Barfield hit just .206, and Dave Stieb, was switched from the outfield to the mound.

BIG-LEAGUE BASEBALL came to Toronto on April 7, 1977 when the Blue Jays defeated the Chicago White Sox 9–5.

Doug Ault, a 27-year-old rookie first baseman, homered twice in the Jays' first game. Otto Velez hit .442 for the month of April. Bob Bailor hit .310, the highest-ever mark for a player on a first-year expansion club. Ron Fairly, a 20-year veteran, led the club with 19 home runs and became the first player since Stan Musial to play more than 1,000 games in both the infield and the outfield.

On the mound, Dave Lemanczyk led the staff with 13 wins, another first-year expansion club record. Lefthanded forkballer Jerry Garvin led the A.L. with 22 pickoffs. Pete Vuckovich, who finished with eight saves, a 7–7 record, and an ERA of 3.47, also pitched the Jays' first shutout, a 2–0 win over Baltimore on June 26.

Toronto's superb new stadium with a retractable roof became the official home park of the Blue Jays on Monday, June 5, 1989.

In moving to SkyDome, the Jays find themselves playing in the world's most advanced and luxurious ballpark. From bottom to top, everything from the artificial turf to the seating, video scoreboard, and roof employs the finest and newest technology available. Located to the west and south of the CN Tower and north of the Esplanade between John and Peter Streets, the very scale of the project is astonishing. When closed, the retractable roof covers an area of eight acres and rises to an inside height equivalent to that of a 31-storey building — almost twice as high as Minnesota's Metrodome.

From its conception, SkyDome took an innovative approach to financing, construction and design. The stadium is owned by Stadium Corporation of Ontario Ltd., a partnership that incorporates both government and private investors. The Province of Ontario and the Municipality of Metropolitan Toronto contributed $30 million each. Joining these two levels of government are 30 Canadian corporations — including the Toronto Blue Jays Baseball Club — each of which has contributed $5 million in exchange for preferred-supplier status and a SkyBox. Canada's three major breweries have also joined the partnership with $5 million contributions. This blending of public- and private-sector investment stands as a unique model in the financing of a showpiece project. The final cost of SkyDome construction is more than $500 million.

Architects Rod Robbie and Michael Allen designed SkyDome and have patented its retractable-roof system. Site preparation began in April of 1986, with groundbreaking taking place in October of that same year. The last exterior concrete was poured in November of 1988 and the first test of the moveable roof panels took place in January of 1989. More than 10,000 person-years of employment were created by the construction of the new stadium.

WORLD SERIES RINGS

The Toronto Blue Jays commissioned Tiffany & Co., the world-renowned purveyor of fine jewellry, timepieces, and arts of the table to design rings commemorating both their 1992 and 1993 World Series victories.

To commemorate the 1992 Blue Jays victory, the 14 karat gold ring's design features the team's logo: the head of a Blue Jay with a maple leaf on a baseball backdrop. The eye of the bird is set with a solitaire diamond. Sixteen diamonds representing each year of the club's history surround the bird and the maple leaf is enamelled in red to match the team's official colour. The inscription of World Champions 1992 wraps around the bezel. One side depicts the team's name - Toronto Blue Jays - set in two lines across the top. The 1992 World Series logo is set in a maple leaf with the inscription - Canada's 1st - positioned below the logo denoting the first Canadian World Series victory. The other side depicts the player's name and the jersey number, the American League logo and the team's 1992 season attendance record - 4,028,318 - positioned below the American League logo. Each side of the ring is accented with two rows representing the stitches of a baseball.

The 1993 World Series Championship ring features the symbols of the Toronto Blue Jays and Canada. A field of 45 diamonds in a pave style setting surrounds the Toronto Blue Jays' logo: the head of a Blue Jay enamelled in the team's official colours overlapping another Blue Jay in gold. The eye of the Blue Jay is set with a diamond solitaire stone. Two Maple Leafs, enamelled in red, symbolize Canada's back-to-back World Series victories. Two baseballs overlay each other in the background. Each ring is personalized with each player's name and jersey number, and incorporating the American League logo and the World Series logo with the inscription "Back to Back" and the years 92-93.

NAME THE TEAM CONTEST

The Blue Jays were named in a contest conducted in June and July of 1976. Over 30,000 individual entries were received, suggesting over 4,000names for the new American League club. From the list of names submitted, specially-appointed panels of judges selected ten names to submit to the Board of Directors. The Directors chose the name "Blue Jays" from that list and announced their decision on August 12th, at which time the team officially became the Toronto Blue Jays Baseball Club.

A total of 154 people submitted the name Blue Jays, and a drawing was held to select a grand prize winner from those who submitted the name. Dr. William Mills of Etobicoke, Ontario, won a pair of season tickets for 1977 and an all-expenses paid trip for himself and his family to watch the Blue Jays at spring training in Dunedin, Florida. Nine runners-up also won season tickets.

BLUE JAYS LOGO

The Blue Jays logo was created by the Toronto design firm of Savage Sloan, Ltd. It depicts a stylized Blue Jay on a red baseball outline incorporating a red maple leaf. The logo features two shades of blue, and red. It was selected to represent three facets of the club's identity: the team name, baseball, and the fact that the team is Canadian.

ROLAIDS RELIEF MAN AWARD

The Rolaids Relief Man Award relies upon a unique scoring system:

- Three points for each save
- Two points for each win
- Two points deducted for each loss
- Two points deducted for each "blown save"

In the rare instance when a relief pitcher enters a game with a lead that is greater than what is allowed to qualify for a save—Scoring Rule 10.20 (3b)—and gives up the lead he will be assessed a two-point penalty (as he would have had he blown a save opportunity). He will not be charged with a "blown save" since the opportunity for a save did not exist.

In case of ties (for the monthly or annual awards), the relief pitcher with the better percentage of successful "save conversions" (saves divided by save opportunities) will be the winner. If a race is still tied, the pitcher with the lowest earned run average for relief appearances will be the winner.

"BLOWN SAVE" DEFINITION When a relief pitcher enters a game in a save situation and departs or the game ends with the save situation no longer in effect because he has given up the lead, he is charged with a "blown save". (If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity.)

BY THE MONTH: April (13-10), May (16-12), June (19-9), July (12-14), August (17-12), September/October (18-10).

BY THE DAY: Sunday (17-9), Monday (12-3), Tuesday (18-6), Wednesday (11-14), Thursday (12-7), Friday (11-16), Saturday (14-12).

THE MANAGER: 1993 was Cito Gaston's fourth full season at the helm as he guided the club to a 95-67 mark...Gaston originally joined the Blue Jays in 1982 as the club's first full-time hitting instructor...He served in that same capacity until he was appointed Interim Manager on May 15, 1989 and later assumed the full-time duties on May 31...Since becoming the Toronto Manager, he has won East Division Titles in 1989, 1991, 1992 & 1993...The three consecutive AL East crowns has been accomplished by only 2 other managers since divisional play began in 1969 (Earl Weaver- 1969,1970,1971 Baltimore), (Whitey Herzog- 1976, 1977, 1978 Kansas City), (Tony LaRussa- 1988, 1989, 1990)...With the team's AL East Division title in 1989, he became the 24th rookie manager to lead their club to a first place finish since 1900...With a 4-1 victory over the Brewers on May 24, Cito became the winningest manager in Blue Jays history winning his 356th game...He later notched the most games by a Blue Jays manager with his 649th game on June 20 vs the Red Sox...At present, Cito is fifth among active Major League Managers in AL wins (Sparky Anderson- 1218, Tony LaRussa- 1202, Tom Kelly- 598, Jim Fregosi- 430, Cito Gaston- 426).

TORONTO IN THE STANDINGS: The Blue Jays did not start the 1993 season in the same fashion as did the 1992 version...Toronto was just 8-8 on the 23rd of April following a 5-4 loss to the White Sox and stood tied for third in the American League East. Toronto completed the first month of the season with a modest 13-10 mark 2.5 games behind first place Detroit...The club fell below the .500 mark on May 12 as they dropped to 16-17 with a 13-8 loss to Detroit...The 4.5 games back following that loss would be the farthest that Toronto would fall behind in the standings...By the end of May, Toronto had moved into a tie for second with the Yankees 2.5 games in back of the Tigers...Toronto entered June on a five game winning streak which ended at seven straight June 6...The squad was percentage points away from first place on June 5...Nine days later, Toronto put together another seven game winning streak to keep pace with the pack remaining just 1.0 game down...Toronto eventually moved into first place on June 26 with a 3-2 victory over the Brewers in Milwaukee...With the conclusion of June and a 19-9 record, Toronto held a slim 2.0 game lead...The team hung on to sole posession of first place into the All-Star break for the fifth time in club history...The opposition caught up on July 17 as a 5-4 loss to the Royals brought Toronto back into a tie for first...Toronto was either tied for first or in sole posession of first place from July 20th- until the end of the season...The Yankees and Blue Jays were last tied on September 9 but went 17-4 the rest of the way to capture their fifth American League East division title.

BATTING: Toronto ended the 1993 regular season with a team batting average of .279(1556-5579)- the highest team batting average in Blue Jays history- previous had been .277 in 1983...It was an increase of 16 points over the 1992 edition...SkyDome was much more generous to Blue Jays batters as the team hit 12 points higher at home (.285) vs a road batting average of .273...Home runs for the season totalled 159 ranking 6th in the American League and 6th All-Time for a Toronto team...Once again, SkyDome proved to be more yielding with regard to the long ball as Toronto collectively hit 90 HR at home while combining for just 69 on the road...For the first time in club history, the Blue Jays boasted three players with 100 RBI or more (Joe Carter- 121,

Paul Molitor- 111 & John Olerud- 107)...Club slugged home runs in 11 consecutive games from May 6-17 hitting a total of 22 home runs...With Olerud, Molitor and Alomar finishing in the top 10 in batting average in the AL, it marked the first time since 1976 (Cincinnati Reds- Griffey, Morgan, Rose) that 3 teammates have finished in the top 10...The 1-2-3 finish in batting average by Olerud (.363), Molitor (.332) and Alomar (.326) was the first by teammates in exactly 100 years (last done in 1893 by Philadelphia (Billy Hamilton- .380, Sam Thompson- .370 and Ed Delahanty- .368)...The 1-2-3 finish was also the first time ever in the American League...Molitor (211) and Olerud (200) finished 1-2 in hits signalling the 12th time since 1900 that AL teammates had accomplished the feat- last time was in 1982 when the Brewers' Robin Yount and Cecil Cooper managed to go 1-2...Teammates have gone 1-2 in the National League 8 times since 1900...The team finished 1st in stolen bases (170)- only other time to lead the AL was 1984, 2nd in the AL in runs (847), 2nd in doubles (317), 2nd in triples(42), 5th in HR(159) and 1st in slugging percentage(.436)...317 doubles were a club record...The 847 runs scored were the most in team history- previous best was 845 (1987)...Team slugging percentage of .436 was also a club record...For just the sixth time in franchise annals did the club have 3 players with 20 or more HR's (Carter- 33, Olerud- 24, Molitor- 22)...The other years were: 1983, 1986, 1987, 1990, 1992...Blue Jays were able to bat around 21 times while the opposition managed the feat 23 times...On the last day of the regular season, Toronto set a season high with an 8-run inning at Baltimore...With only 27 pinch hit at bats in 1993, Toronto set a low-water mark undercutting the previous record of 55 set last season...The Blue Jays were shutout just once- the fewest ever for a Toronto team and tied with the Tigers for the fewest in '93...The lone shutout came on June 30 in Baltimore...Toronto averaged 9.6 hits and 5.2 runs per game.

THE DESIGNATED HITTER: Toronto DH's finished 1st in the Junior Loop in batting average (.308) while finishing with 20 HR and 101 RBI...Paul Molitor was positioned at DH most often of all Blue Jays players, hitting .311(169-543) with 17 HR and 90 RBI in that role...All told, 7 players played at least 1 game at DH...1993 marked the first time that the Blue Jays have posted a .300 plus average at the DH position- the previous high for batting average was .288 in 1988...The DH's combined for 116 runs- a team record...The only other season that Blue Jays' designated hitters scored 100 or more runs was in 1987 when they scored 101.

BLUE JAYS IN POST-SEASON

AMERICAN LEAGUE CHAMPIONSHIP SERIES 1985

As the Blue Jays entered post season play for the first time, they would face the Kansas City Royals in the first ever best-of-seven American League Championship Series. The Blue Jays, who finished nine games ahead of the Royals in the loss column, were the favourites and would enjoy the extra home game.

In Game 1 Dave Stieb lived up to superstar billing, shutting out the Royals on three hits through eight innings with no base runner advancing past second base. The Blue Jays struck quickly with two runs in the second, three in the third and one in the fourth. The Blue Jays offense was sparked by 2 RBI performances by Ernie Whitt and Tony Fernandez.

Game 2 was a much more even affair with the Blue Jays eeking out a 6-5, 10-inning win. The Royals jumped into a quick 3-0 lead after 3 1/2 innings primarily on the strength of a 2 run HR by Willie Wilson in the 3rd inning. The Blue Jays rallied and took the lead on a George Bell sacrifice fly in the 8th. The Royals rallied, however in the 9th a on pinch hit HR by Pat Sheridan with the go ahead run being delivered in the 10th on a Frank White single. The Blue Jays won it in the bottom of the 10th on a two-out 2 run single by Al Oliver. On to Kansas City, the Blue Jays were up 2-games to none.

In Game 3, George Brett put on a baseball clinic going 4-4, 2 HR's, 3 RBI with 4 runs scored enroute to a 6-5 Royals win. Leading 5-2 after 4 1/2 innings the Blue Jays squandered the lead for good in the 8th when Brett led off the inning with a single and eventually scored.

Game 4, the Blue Jays came within one win of a World Series berth with a 3-1 come-from-behind victory. The Blue Jays won the game dramatically with 3 runs in the top of the ninth inning, the big blow being a 2 run pinch hit double by Al Oliver.

In Game 5, LHP Danny Jackson went the distance checking Toronto on 8 hits and scoring a run in each of the first two innings. Blue Jays still led the series 3-games to 2.

The Blue Jays and Royals returned to Exhibition Stadium for Game 6. Entering the 5th inning tied at 2-2 George Brett once again delivered the decisive blow with a solo HR. And, with 3.2 shutout innings of relief from Buddy Black and Dan Quisenberry, the Royals pulled even in the series for the first time at three games apiece.

October 16th - Game 7 - Dave Stieb, the ace of the Toronto staff vs eventual Cy Young Award winner Bret Saberhagen. The Royals came out on top 6-2 shellacking Dave Stieb for six runs in 5.2 innings. The big blow being a wind-assisted bases clearing triple by Jim Sundberg to cap a four run 6th inning.

The Kansas City Royals became only the 5th club in major league history to trail a series 3-games to one and comeback to win the series. The Blue Jays? They slumped immediately after scoring five runs in the 5th inning of Game 3 scoring only eight runs in the last 40 innings.

AMERICAN LEAGUE CHAMPIONSHIP SERIES 1989

For the second time in five seasons, the Blue Jays were American League East Division Champions. The Blue Jays would face the Oakland Athletics who had the best record in the Major Leagues in 1989.

Game #1: The Blue Jays surrendered 2-0 and 3-1 leads as the Athletics scored three times in the sixth and twice in the eighth to win 7-3. In the sixth inning Mark McGwire cracked a lead off HR to tie the game and two runs scored when Carney Lansford's double play ball was botched. Dave Stewart allowed five hits over eight innings for the win.

Game #2: The Athletics tallied twice in the fourth inning and three in the sixth en route to a 6-3 win. A's outfielder Rickey Henderson was a one-man wrecking crew going 2-for-2 with two runs scored and four stolen bases. Athletics' righthander Mike Moore allowed just three hits and an unearned run in seven innings.

Game #3: The Blue Jays snapped a five game post season losing streak dating back to 1985 with a convincing 7-3 win. The Blue Jays jumped on Athletics' starter Storm Davis for four runs on four hits in the fourth inning and salted the game away with another three runs in the seventh inning. The win ran the Blue Jays' record to 11-0 at SkyDome with the roof closed. Overcoming a 3-0 Athletics' lead Mookie Wilson and Tony Fernandez paced the Blue Jays with two hits apiece, the latter with two doubles.

Game #4: The Athletics took a commanding 3-1 lead in games with a 6-5 win over the Blue Jays. Rickey Henderson was again a major catalyst with two HR's which accounted for four RBI. The Blue Jays collected 13 hits, 11 of which were singles and attempted to overcome a 5-2 deficit with one run in the sixth and seventh innings and two in the eighth.

Game #5: The Blue Jays spotted the Athletics a 4-0 lead into the seventh inning before eventually losing the game 4-3 and the best-of-seven series in five-games. Trailing 4-1 after eight innings the Blue Jays scored twice in the ninth inning on a leadoff HR by George Bell and a sacrifice fly by Kelly Gruber.

Epilogue: In essence it was Rickey Henderson defeating the Blue Jays four-games to one. Henderson batted .400, slugged 1.000, had a .609 on-base percentage and swiped a LCS record eight stolen bases. The Blue Jays hit .242 as a team (compared to Oakland's .272) with only eight of their hits being for extra bases. They were outscored 8-3 in the first three innings and 12-7 in the middle three before outscoring the Athletics 11-6 in the final three innings. Unfortunately it is virtually impossible to consistently battle back from an early inning deficit. Although anything can happen in a "short series" the best team of the regular season continued that charted course into post-season, winning eight of nine contests.

AMERICAN LEAGUE CHAMPIONSHIP SERIES 1991

TORONTO VS MINNESOTA

In 1991, the Toronto Blue Jays won the American League East for the third time in the history of the organization...The Blue Jays faced the Western Division Champion Minnesota Twins in a series that would decide the American League Champion...The Minnesota Twins emerged victorious as they won the best of seven games series by a 4 games to 1 count...Below is a summary of the series.

GAME #1: Toronto starter Tom Candiotti lasted just 2.2 innings and allowed five earned runs before being lifted in favour of David Wells...The Twins would not need to score another run...The Blue Jays rallied for a run in the fourth and three runs in the sixth on five consecutive hits off Twins starter Jack Morris...Those four runs would be all Toronto could muster as they lost 5-4 at the Metrodome.

GAME #2: Toronto took an early lead as they jumped on Twins starter Kevin Tapani, scoring three times in the first three innings...Rookie Toronto starter Juan Guzman lasted 5.2 innings allowing four hits and just two earned runs before the ball was handed to the bullpen...Tom Henke and Duane Ward combined for 2.1 innings of shutout relief and six strikeouts...Devon White scored three of the five Toronto runs as the Blue Jays won their only 1991 ALCS game 5-2 in Minneapolis.

GAME #3: Joe Carter's first inning home run and a Candy Maldonado double put the Blue Jays ahead 2-0 until the sixth inning when the Twins were able to put their second run across the plate and tie the game at two apiece...Toronto starter Jimmy Key scattered five hits over six innings and allowed two earned runs...The game went into extra-innings and ended in dramatic fashion as Mike Pagliarulo, pinch hitting for Scott Leius, homered to right off of Blue Jays reliever Mike Timlin...Toronto was retired 1-2-3 in their half of the tenth as the Twins defeated Toronto 3-2 at SkyDome.

GAME #4: Blue Jays starter Todd Stottlemyre allowed seven hits in 3.2 innings before exiting with Toronto trailing 4-1...The Twins' Kirby Puckett hit his first home run of the series and Dan Gladden collected three RBI on three hits to pace Minnesota to a 9-3 win at SkyDome...It was Jack Morris' second win of the ALCS as he pitched eight innings allowing just two runs.

GAME #5: Kirby Puckett displayed his power once again as he homered in the first inning off Tom Candiotti to put the Twins ahead 1-0...Toronto put together three runs in the third and a pair in the fourth to go ahead 5-2...Minnesota was able to post three runs in their half of the sixth inning and tie the game at five...Duane Ward was handed the loss for Toronto as he allowed three runs in the eighth...Toronto was shutdown by five shutout innings of relief...Devon White, Roberto Alomar and Manuel Lee each collected a pair of hits in the losing effort as Minnesota took the American League crown with an 8-5 win.

AMERICAN LEAGUE CHAMPIONSHIP SERIES 1992

TORONTO VS OAKLAND

GAME #1: Home runs were the story of the game as Oakland used three of them to beat the Blue Jays 4-3...The A's scored three runs in the second inning off Toronto starter Jack Morris on back-to-back homers by Mark McGwire and Terry Steinbach...The 3-0 lead stood until Pat Borders homered off Dave Stewart in the Blue Jays' fifth followed by a Dave Winfield homer in the sixth making the score 3-2...John Olerud tied the score at 3 in the bottom of the eighth with a two out single off reliever Jeff Russell scoring Winfield who had doubled in the previous at-bat...Harold Baines broke the tie with a solo shot to lead off the ninth and Dennis Eckersley shut down the Blue Jays in the home half of the ninth to seal the 4-3 Oakland victory.

GAME #2: The Blue Jays were able to rebound from a Game #1 loss as David Cone held the A's to just one run over 8.0 innings en route to a 3-1 win...Cone, the Major League's strikeout leader in 1992, fanned six as he collected his second career Post-Season victory...Mike Moore lasted seven innings in the losing effort for Oakland...Kelly Gruber doubled and hit a 2-run homer in the fifth which would prove to be the winning runs...Closer, Tom Henke came on for the save in the ninth- his first ever post-season save.

GAME #3: For the first time since 1985 vs Kansas City, the Blue Jays put together a pair of wins in the post-season as they got past the A's 7-5...Toronto starter Juan Guzman, notched his second career LCS win in as many starts (1991 vs Twins) lasting six innings before being lifted in favour of Duane Ward...Tom Henke earned his second save in as many games...Despite being out-hit 13-9 by the A's, 4 of Toronto's hits went for extra-bases including homers from Alomar (solo) and Maldonado (solo)...The A's collected just 1 extra-base hit.

GAME #4: In what appeared at first to be a certain Oakland victory, the Toronto Blue Jays fought back to erase a five run deficit late in the game sending the game into extra-innings...Oakland batted around earning five runs in the third inning as they jumped on Toronto starter Jack Morris...The A's added another run in the sixth making the score 6-1...Toronto began their comeback in the top of the eighth as they strung together five consecutive hits...By the end of the inning, the score was 6-4...The A's were held off the board in the bottom of the eighth but in the top of the ninth, Devon White started off the inning with a single that was misplayed allowing White to get to third base...Roberto Alomar then homered off Dennis Eckersley to tie the game at 6-6...Toronto eventually won the game in the eleventh as they scored a run off Kelly Downs to win 7-6.

GAME #5: Oakland starter, Dave Stewart held the Blue Jays in check for nine innings scattering seven hits, allowing just 2 runs as Oakland sent the series back to SkyDome...The complete game win was Stewart's first win of the 1992 post-season...The 6-2 loss for the Blue Jays ended their three game win streak...David Cone took the loss for Toronto...He lasted just 4.0 innings before Jimmy Key made his first appearance of the 1992 playoffs...Ruben Sierra homered and drove in 3 runs for the A's...Devon White notched 3 hits on the day including a double in the losing effort.

GAME #6: Toronto scored a pair of runs in the first on a Joe Carter homer off A's starter Mike Moore...The Blue Jays then added four more runs in the third including a Candy Maldonado 3-run homer to put Toronto ahead 6-0...Blue Jays' starter Juan Guzman went seven innings allowing just five hits and striking out eight before the ball was handed to Duane Ward in the eighth with the score Toronto seven, Oakland 1...The A's managed a run in the top of the eighth but the home town Blue Jays secured the win as Tom Henke tossed a perfect ninth sending Toronto to its first ever World Series with a 9-2 win over Oakland.

WORLD SERIES CHAMPIONSHIP 1992

TORONTO VS ATLANTA

GAME #1: In the first game of the 89th World Series, the Blue Jays suffered a 3-1 loss to the Atlanta Braves...Home runs were the story of the game as Toronto took an early 1-0 lead in the fourth on a Joe Carter solo homer off starter Tom Glavine...It would be the only run Toronto would score...Jack Morris continued his shutout innings streak vs the Braves extending it to 18.0 innings until a 3-run homer by catcher Damon Berryhill in the sixth inning ended the streak...Glavine went the distance for the Braves becoming the first pitcher to toss a complete game in a World Series opener since Jack Morris accomplished the feat in 1984 vs San Diego.

GAME #2: Reserve catcher Ed Sprague proved to be the hero for the Blue Jays on this night at Fulton County Stadium...David Cone lasted just 4.1 innings allowing 4 runs over that span before exiting in favour of David Wells...Cone also contributed at the plate with a pair of hits and an RBI...His two hits marked the first two hit game by an AL pitcher in the World Series since Mickey Lolitch went 2-4 on October 3, 1968...Heading into the eighth inning, the Blue Jays trailed 4-2...After a run in the top of the eighth Toronto entered the ninth inning trailing by 1...After a Pat Borders fly out, rookie Derek Bell (pinch hitting for Lee) walked...Ed Sprague then pinch hitting for the pitcher Duane Ward knocked a first pitch offering from Jeff Reardon over the left field fence to put the Blue Jays ahead 5-4...Tom Henke was able to retire the Braves in the bottom of the ninth for the save.

GAME #3: The game marked the first time the World Series had been played outside of the United States as the series moved to SkyDome...In another pitching duel, Steve Avery and Juan Guzman both went 8.0 innings...Atlanta was kept off the board in the fourth with a splendid defensive effort by Devon White...White ran down a deep drive off the bat of Dave Justice that sent Devon into the wall to make the catch...White returned the ball to the infield where Pendleton was doubled-up off first...The Blue Jays drew first blood in the fourth inning as Joe Carter connected for his second homer of the series, a solo shot putting Toronto ahead 1-0...In the sixth inning, the Braves rallied to tie things at 1-1...Each team traded runs in the eighth keeping the game knotted at 2-2...The Braves attempted a rally as Duane Ward came on to pitch the ninth...But after a key double play and a strikeout the inning was over...In the home half of the ninth, Roberto Alomar started the inning off with a leadoff single...After stealing second and a Dave Winfield sacrifice, Alomar stood at third with one out...Jeff Reardon came in to try to halt the Blue Jays' advance but Candy Maldonado with the bases loaded, hit a 2-strike pitch to right centre for a base hit allowing Alomar to score the winning run.

GAME #4: In what was the third consecutive 1-run game of the 1992 World Series, the Blue Jays posted a 2-1 win behind a strong pitching effort from starter Jimmy Key...Key went 7.2 innings allowing just 5 hits and 1 earned run while striking out six Braves batters...Toronto earned their first run in the third inning as catcher Pat Borders continued on his post season hit streak with a solo homer to left...Toronto made the score 2-0 in the seventh when Devon White drove in Kelly Gruber from second base...Atlanta managed to score a run in their half of the eighth as Ron Gant led off with a double and eventually scored on a Mark Lemke groundout...Tom Henke came in to pitch the ninth for Toronto and tacked up a 1-2-3 inning for his second save of the series.

GAME #5: The game began in similar fashion as the previous four...Entering the fifth inning, the game was tied a 2-2...The Braves had collected a run in the first and fourth inning while the Blue Jays captured runs in the second and fourth...The fifth inning proved to be Atlanta's inning as they crossed the plate five times to seal the victory and send the series back to Atlanta for at least one more game...The fifth inning began for the Braves with 2 consecutive routine outs...An Otis Nixon single started the ball rolling and the Braves eventually loaded the bases on Toronto starter Jack Morris...Lonnie Smith stepped up to the plate and sent Morris' 1-2 offering over the right field wall for a grand slam making the score 7-2...The score remained the same over the final four innings making a winner out of John Smoltz.

GAME #6: The Toronto Blue Jays make history as they capture their first ever World Series and bring the Commissioner's Trophy outside of the United States for the first time...The 11-inning game began with the Blue Jays scoring in their first inning of the game...Devon White led off the game with a single off starter Steve Avery...After a stolen base and a ground out by Alomar, White stood on third...Carter then drove in White with a sacrifice fly...Atlanta answered the call in their half of the third as Deon Sanders scored his fourth run of the series...Toronto returned the favour immediately as they regained the lead with a run in the top of the fourth on a Maldonado lead off homer...The score remained that way until the bottom of the ninth when Atlanta shortstop Jeff Blauser tied the game sending into extra-innings...The tenth inning proved to be uneventful. In the eleventh, the Blue Jays led off with Jimmy Key popping out for out number 1...Devon White was hit by a Charlie Leibrandt offering...Alomar then singled to centre allowing White to move up to second...With two out, Dave Winfield stepped up to the plate and doubled down the left-field line allowing White and Alomar to score making it 4-2 Toronto...In the Braves eleventh, Atlanta was able to score once with Jimmy Key on the mound...Mike Timlin then came in to pitch for the Blue Jays

FIRST TRIP LUCKY

AMERICAN LEAGUE CHAMPIONSHIP SERIES 1993

TORONTO VS CHICAGO

GAME #1: The Blue Jays took a 2-0 lead in the fourth inning when third baseman Ed Sprague tripled to right field with Olerud and Molitor on base. Chicago then used their half of the fourth inning to produce three runs on two hits as they sent nine men to the plate. Toronto starting pitcher Juan Guzman managed to hold the White Sox in check for six innings but walked 8 batters and stranded 11 Chicago runners before exiting with a 5-3 lead. Jack McDowell lasted 6.2 innings allowing thirteen hits and all seven Toronto runs before the White Sox relief corps came on to hold Toronto for the remainder of the game. Danny Cox worked a shutout seventh and eighth allowing a single by Ozzie Guillen. Duane Ward came out for the ninth and walked the first two batters before striking out the side to end the Chicago threat.

GAME #2: Both clubs scored once in the first inning but it was the Blue Jays that would prevail as their two-run fourth inning provided the edge. The 3-1 win saw Toronto take a two games to none lead in the best of seven games series. The fourth inning started with a pair of outs by Carter and Olerud. Paul Molitor then doubled off starter and loser Alex Fernandez. Next, Tony Fernandez singled to score Molitor and moved to second on the throw home. After an intentional walk to Ed Sprague, Pat Borders singled to second base but Joey Cora threw the ball away allowing the third Toronto run to score. Dave Stewart worked six strong innings surrendering just four hits (all singles) and one run for his seventh career ALCS win against no losses. Al Leiter was credited with a hold as he pitched the seventh and eighth innings before closer Duane Ward came in to save the game in the ninth.

GAME #3: Nineteen game winner, Pat Hentgen started for Toronto but could not collect a win on this day as Toronto suffered their worst defeat of the series losing 6-1. The Blue Jays were able to hold off the White Sox attack until the third inning when they sent 10 players to the plate and combined for five runs on five singles. Hentgen lasted just three innings plus 2 batters before he was removed in favour of Danny Cox. Toronto scored their lone run in the bottom of the third as Rickey Henderson scored from third on a Devon White single. Wilson Alvarez, the Chicago starter pitched a complete game for his first career ALCS victory. He permitted just seven hits while issuing two walks and striking out six. Tim Raines provided most of the offensive support for Chicago going 4-5 with a run scored.

GAME #4: A two run home run by centre fielder Lance Johnson in the second inning gave the White Sox a 2-0 lead over Toronto. The light hitting Johnson had not hit a home run since the 1992 regular season. Todd Stottlemyre, making his first start of the 1993 ALCS lasted six innings for the home team but failed to hold onto a 3-2 lead that was handed to him in the third when Toronto batted around on rookie starter Jason Bere. The right hander lasted just 2.1 innings before being pulled in favour of Tim Belcher. Stottlemyre allowed three more Chicago runs in the sixth including a Frank Thomas solo homer and a Lance Johnson triple before departing. Roberto Alomar doubled home Henderson in the bottom of the sixth to cut the Chisox lead to one (5-4) but the visiting White Sox notched a single run off Al Leiter in the seventh and another run off Mike Timlin in the ninth to seal the win by a 7-4 margin.

GAME #5: As was the case with each of the previous four games, the team that scored first emerged victorious. This time, Toronto scored first when Rickey Henderson crossed the plate in the first inning after leading off the game with a double and a stolen base. Starting pitcher Jack McDowell allowed a Toronto run in the second and third before being lifted following just 2.1 innings. Meanwhile, Blue Jays starter Juan Guzman cruised through the first 4.1 innings without allowing a hit or a walk until Ellis Burks went deep to left field for what would be the only blemish on Guzman's slate that afternoon. He lasted seven innings'permitting just two hits while walking one and striking out six. Roberto Alomar reached base in all five plate appearances (3 hits, 2 walks) to lead the Toronto attack. Tony Castillo worked a scoreless eighth allowing a single and a base on balls. Duane Ward had some difficulty in the ninth. He struck out Joey Cora and Frank Thomas following a single to lead off the inning by Raines. He then issued a two run homer to Robin Ventura that brought Chicago within two. With the tying run at the plate, Ward struck out Bo Jackson to end the game and preserve the 5-3 Toronto win.

GAME #6: With his 7-0 record in ALCS play on the line, Blue Jays' starter Dave Stewart provided the win which put Toronto into their second consecutive World Series as the Blue Jays won 6-3 over Chicago. Toronto scored first with a pair of runs in the second inning as a 2-out single by catcher Pat Borders off Alex Fernandez cashed in John Olerud and Paul Molitor. The White Sox tied the game in the third inning when a bases loaded walk by Frank Thomas and a fielder's choice by Robin Ventura scored two runs. Stewart managed to restrict the Chisox to just 4 hits and 2 earned runs before handing Duane Ward a 3-2 lead after 7.1 innings. Ward struck out the final two batters to end the eighth. Toronto added to their lead as Devon White homered off reliever Scott Radinsky to make the score 4-2. Toronto added two more runs before the inning was over as Paul Molitor tripled to centre. Duane Ward allowed his second home run of the series as Warren Newson hit a solo shot in the bottom of the ninth but that was all the scoring that the Pale Hose would achieve as the Blue Jays were crowned American League Champions for the second straight season.

GAME #2: The big inning would prove to be the Philly advantage on this night as a Jim Eisenreich three run homer in the top of the third capped a five run inning that saw eight Philadelphia batters step up to the plate...Toronto starter and eventual loser, Dave Stewart lasted six innings with all five earned runs coming in that third frame...Toronto answered the Philly onslaught with a pair of runs in the bottom of the fourth as Joe Carter connected for his first of two World Series home runs...Philadelphia starter Terry Mulholland would allow just three runs over 5.2 innings before handing the ball to the bullpen...Lenny Dykstra led off the seventh inning with a solo homer off reliever Tony Castillo to stretch the Philly lead to 3 as the visitors were now ahead 6-3...Toronto scored one run in the eighth as Molitor led off with a double and eventually scored on an Olerud sac fly...Philly relievers Roger Mason (1.2 innings) and Mitch Williams (1.2 innings) closed out the game to preserve the 6-4 win and even the series.

GAME #3: The venue moved from SkyDome to Veteran's Stadium in Philadelphia for games three, four and five...This game featured solid pitching by the Blue Jays combined with a potent offence...The visiting Blue Jays jumped on Philly starter Danny Jackson in the top of the first as Paul Molitor drove home a pair of runs with a triple...He would also score as Carter lifted a sacrifice fly to right field...Molitor added a solo homer in the third to make it 4-0...Starting pitcher Pat Hentgen pitched six innings allowing just one run- that coming in the sixth as a two-out single by Eisenreich scored John Kruk who had reached base via a walk...Blue Jays added another run in the top of the sixth as Roberto Alomar scored on a sac fly after having reached base on a single and stealing second and third...Toronto continued to add to their lead as they scored three more runs in the seventh off reliever Ben Rivera...Roberto Alomar finished the night with a 4-hit game while Molitor had three hits, three runs and three RBI...Duane Ward surrendered a solo homer to Milt Thompson in the ninth to make the final score Toronto 10, Philadelphia 3.

GAME #4: In a slugfest, the Blue Jays put together one of the wildest comebacks in World Series history to beat the Phillies 15-14 and take a three games to one lead...Toronto opened the scoring with three in the first off Philly starter Tommy Greene...But the home team would take advantage of four first inning walks by starter Todd Stottlemyre as they scored four runs to move ahead 4-3...Philadelphia added two more runs to their tally as Lenny Dykstra connected for his second homer of the series, a 2-run shot in the second...The Blue Jays batted around in the third and collected four runs and sent Tommy Greene to the bench in favour of Roger Mason...Philadelphia then posted a five run fifth that included home runs from Dykstra and Daulton to extend their lead 12-7...Toronto countered with two runs in the top of the sixth as White and Alomar scored on a single and a ground out...The Phillies added a run in the sixth and one in the seventh to make the score 14-9...The Phillies relief corps could not hold Toronto from making a comeback...In the top of the eighth, the Blue Jays sent ten players to the plate...Devon White's triple with two out scored Pat Borders to tie the game and Rickey Henderson to put Toronto ahead 15-14...Mike Timlin, started the eighth and struck out the first two batters he faced before Duane Ward came on to strikeout Dykstra to end the inning...In the ninth Ward hurled a 1-2-3 inning for his second save of the series in a game that took 4 hours and 14 minutes to play and was the highest scoring game in World Series history...Tony Fernandez had five RBI in the game and White had four.

GAME #5: Curt Schilling shutout Toronto 2-0 in what was the first ever shutout of Toronto in the post season...Pitted against Blue Jays ace Juan Guzman, he allowed just five hits (all singles) and struck out six Toronto batters for his first World Series win...The Phillies scored the only run they would need in the first inning when Dykstra, who had walked to lead off the game, scored on a John Kruk groundout...They added a second run in the very next inning as a pair of doubles cashed in Daulton...In the eighth, the Blue Jays threatened with a pair of runners on base but a strikeout by White followed by an Alomar ground out ended their attempt...Guzman was equal to the challenge as he went seven innings allowing both Philly runs while fanning six...The win sent the series back to Toronto with the Blue Jays holding a 3-2 edge.

GAME #6: Toronto started their quest for a second straight World Series Championship early as they notched three runs off Philly starter Terry Mulholland in the bottom of the first...A run in the fourth and a solo home run by Molitor in the fifth put Toronto up 5-1...Dave Stewart, the Toronto starter held the Phillies to just one run over his first six innings...In the seventh he surrendered a three run homer to Lenny Dykstra- his fourth of the series...That led to Stewart being pulled from the game...Reliever Danny Cox came in with none out and surrendered two more runs before the Phillies were halted by Al Leiter...The damage had been done and Philadelphia was now leading 6-5...After leaving the bases loaded in the eighth, Toronto made World Series history by erasing a 1-run lead in the bottom of the ninth...Mitch Williams came in to start the inning and he walked Rickey Henderson who led off...After a Devon White fly out, Molitor singled to centre to put runners at first and second...Right fielder Joe Carter then stepped up to the plate...On a 2-2 offering from Williams, Carter homered over the left field wall for a three run home run and propelled Toronto to its second consecutive World Series Championship with an 8-6 win.

STIEB'S NO-HITTER

SEPTEMBER 2, 1990 at CLEVELAND — TORONTO 3, CLEVELAND 0

DAVE STIEB chalked up his first no-hitter and the first in BLUE JAYS history as he stopped the Cleveland Indians on a sunny Sunday afternoon at Cleveland Stadium before a crowd of 23, 640.

The game ended as Cleveland's Jerry Browne whacked a fly to right field where JUNIOR FELIX put the squeeze on it.

Stieb had a season high nine strikeouts and walked four over his 122-pitch afternoon.

There were no tough plays and only a couple of well hit balls. Closest the Tribe came to a hit was KEN PHELPS pulling a liner about three feet foul to open the eighth inning.

The BLUE JAYS and STIEB got their offensive support from FRED McGRIFF who hit two solo home runs and from MANNY LEE who doubled home KENNY WILLIAMS in the fifth inning.

Stieb had previously gone 8.2 innings, three times, protecting no-hitters. He had back-to-back attempts in September 1988; on September 24, 1988 at Cleveland Stadium, JULIO FRANCO's had a bad hop single over second baseman MANNY LEE's head. In his next start, against Baltimore at Exhibition Stadium, JIM TRABER looped a single over first baseman FRED McGRIFF's outstretch glove hand. Both no-hit bids were lost on 2-2 pitches. STIEB also had a perfect game for 8.2 innings on August 4, 1989 vs the Yankees at SkyDome. ROBERTO KELLY doubled to left to break it up.

FORFEIT GAME: The Blue Jays have played one forfeit game, a 9-0 decision vs Baltimore on September 15, 1977...In that game Jim Clancy had held the Orioles to two-hits over five innings before Earl Weaver pulled his club off the field...His reason was that the tarps on the Blue Jays bullpen created a hazard for his players.

BATTING DATA: The 215 HR's hit by the BLUE JAYS in 1987 was a club record and enabled the BLUE JAYS to have the sixth most HR's in the American League history behind the 1961 Yankees (240), 1987 Tigers (225) and 1963 Twins (225), the 1964 Twins (221) and the 1982 Brewers (216)...It also placed eighth overall on the major league list. .National League clubs which have eclipsed the 200 HR mark include the 1953 and 1955 Brooklyn Dodgers (208, 201), the 1956 Cincinnati Reds (221), the 1987 Chicago Cubs (209) and San Francisco Giants (205).

BLUE JAYS' MAJOR LEAGUE DRAFT SELECTIONS

The Major League Draft is held annually during the winter meetings. Players on a minor league roster with three years of pro ball may be drafted for $50,000. Prior to 1985 the draft price was $25,000.

The drafted player must remain with his new club for the full season or be offered back to his original club for $25,000. The drafting is in reverse order of previous seasons records and alternating between leagues.

Following this major league draft, a separate selection is held by National Association clubs from class AAA to A levels. A "AAA" selection price is $12,000. A "AA" selection is $4,000.

The 1992 Toronto Blue Jays became only the sixth team in Major League history to complete a season without being swept in a series. Following is a list of the other five teams:

1904 New York Giants
1905 Philadelphia Athletics
1910 Chicago Cubs
1921 Cleveland Indians
1943 St. Louis Cardinals

1-2-3 IN BATTING RACE

In 1993 John Olerud (.363), Paul Molitor (.332) and Roberto Alomar (.326) finished the year first, second and third respectively in the American League batting race...It was just the third time in Major League history that three teammates had finished in that order- and the first since 1893. Alomar was in fourth place trailing Cleveland's Kenny Lofton heading into the last day of the regular season...Alomar then went 3-4 on the final day to finish .001 ahead of Lofton (.325)...The two other times that this feat occurred were; 1893- Philadelphia A's (Billy Hamilton- .380, Sam Thompson- .370 and Ed Delahanty- .368) & 1891- Boston Reds (Dan Brouthers- .350, Hugh Duffy- .336 and Tom Brown- .321).

PITCHERS AT THE PLATE

The Blue Jays have never had a pitcher bat in a regular season game in their first sixteen seasons.

DAVE STIEB batted against Minnesota Twins on August 29, 1980 at Exhibition Stadium but he was playing the outfield.

Stieb had gone in to play left field in the 15th inning of a suspended game started on August 28th.

In his only time at the plate he flied out to the center-fielder, Ken Landreaux in the bottom of the 15th....The pitcher was Al Williams.

He played one inning and had no fielding opportunities as the Jays lost 7-5 in 15 innings.

AC JOINT - Acromioclavicular joint; joint of the shoulder where acromion process of the scapula and the distal end of the clavicle meet; most shoulder separations occur at this point.

ANTERIOR - In front of; the front surface of.

ANTERIOR CRUCIATE LIGAMENT (ACL) - A primary stabilizing ligament within the center of the knee joint that prevents hyperextension and excessive rotation of the joint. A complete tear of the ACL necessitating reconstruction could require up to 12 months of rehabilitation.

ANTI-INFLAMMATORY - Any agent which prevents inflammation, such as aspirin or ibuprofen.

ARTHROGRAM - X-ray technique for joints using air and/or dye injected into the affected area; useful in diagnosing meniscus tears of the knee and rotator cuff tears of the shoulder.

ARTHROSCOPY - A surgical examination of the internal structures of a joint by means of viewing through an arthroscope. An arthroscopic procedure can be used to remove or repair damaged tissue or as a diagnostic procedure in order to inspect the extent of any damage or confirm a diagnosis.

CARTILAGE - Smooth, slippery substance preventing two ends of bones from rubbing together.

CAT SCAN - Use of a computer to produce a cross-sectional view of the anatomical part being investigated from x-ray data.

CONCUSSION - Jarring injury of the brain resulting in dysfunction. It can be graded as mild, moderate or severe depending on loss of consciousness, amnesia and loss of equilibrium.

CONTUSION - An injury to muscle and tissues cause by a blow from a blunt object.

DISC - A flat, rounded plate between each vertebrae of the spine. The disc consists of a thick fibering which surrounds a soft gel-like interior. It functions as a cushion for the spinal column.

FEMUR - Thigh bone; largest bone in the body.

FIBULA - Smaller of the two bones in the lower leg; runs from the knee to the ankle along the outside of the lower leg.

INFLAMMATION - The body's natural response to injury in which the injury site might display various degrees of pain, swelling, heat, redness and/or loss of function.

LATERAL - To the outside of the body.

MEDIAL - To the inside of the body.

LIGAMENT - Band of fibrous tissue that connects bone to bone, or bone to cartilage and supports and strengthens joints.

MAGNETIC RESONANCE IMAGING (MRI) - Imaging procedure in which a radio frequency pulse causes certain electrical elements of the injured tissue to react to this pulse and through this process a computer display and permanent film establish a visual image. MRI does not require radiation and is very useful in the diagnosis of soft tissue, disc, and meniscus injuries.

MEDIAL COLLATERAL LIGAMENT (MCL) - Ligament of knee along the medial aspect that connects the femur to the joint.

MENISCUS - Crescent shaped cartilage, usually pertaining to the knee joint, also known as "cartilage." There are two menisci in the knee, medial and lateral. These work to absorb weight within the knee and provide stability.

POSTERIOR - At the back part, or rear of the body.

POSTERIOR CRUCIATE LIGAMENT (PCL) - A primary stabilizing ligament of the knee that provides significant stability and prevents displacement of the tibia backward within the knee joint. A complete tear of this ligament necessitating reconstruction could require up to 12 months of rehabilitation.

QUADRICEP MUSCLES "QUADS" - A group of four muscles of the front thigh that run from the hip and form a common tendon at the patella; they are responsible for knee extension.

ROTATOR CUFF - Comprised of four muscles in the shoulder area that can be irritated by overuse. The muscles are the supraspinatus (most commonly injured), infraspinatus, teres minor and subscapularis.

ROTATOR CUFF IMPINGEMENT SYNDROME - A microtrauma or overuse injury caused by stress. The four stages are: 1) tendentious with temporary thickening of the bursa and rotator cuff 2(fiber dissociation in the tendon with permanent thickening of the bursa and scar formation 3) a partial rotator cuff tear of less than 1 cm and 4) a complete tear of 1 cm or more.

SHIN SPLINT - A catch-all syndrome describing pain in the shin that is not a fracture or tumor, and cannot be defined otherwise.

SPRAIN - Injury resulting from the stretch or twist of the joint and causes various degrees of stretch or tear of a ligament or other soft tissue at the joint.

STRAIN - Injury resulting from a pull or torsion to the muscle or tendon that causes various degrees of stretch or tear to the muscle or tendon tissue.

STRESS FRACTURE - A hair-line type of break in a bone caused by overuse.

TENDINITIS - Inflammation of the tendon and/or tendon sheath, caused by chronic overuse or sudden injury.

TENDON - Tissue that connects muscle to bone.

TIBIA - Larger of the two bones of the lower leg and is the weight-bearing bone of the shin.

ULNAR NERVE - Nerve in the elbow commonly irritated from excessive throwing.

ULTRASOUND - An electrical modality that transmits a sound wave through an applicator into the skin to the soft tissue in order to heat the local area for relaxing the injured tissue and/or disperse edema.

NOTE: This list is not meant to be all inclusive, nor should it be used as a substitute for a physician's diagnosis and/or description of an injury or illness.

PLAYER LIMITS: 40 until opening day, when the number must be reduced to 25 until September 1, when it again becomes 40. The minimum number of active players maintained by each club throughout the championship season shall be 25.

TRADING REGULATIONS: The trading deadline is July 31.

Trades may be made with any other major league club in the period from the end of the championship season through July 31 (midnight) without waivers. Waivers are required, however:

1. If the assignment is to another major league club: From August 1 and ending at 5 pm EDT the day after the end of the season.
2. If assignment is to a minor league club, with right of recall, at any time after 3 years from the date the player first reported to a major league club during a championship season.
3. If assigned to a minor league club without right of recall, after acquiring 3 years service: At any time during the year.
4. If assigned to a minor league club, without right of recall, at any time prior to acquiring three years of service, special waivers are required between September 1 and the opening of the following season. If player is claimed, request may be withdrawn. If no claims are made, club has 7-day period in which to make assignment to minor leagues.

WAIVERS: The 1985 collective bargaining agreement brought about changes in the waivers process. Following is information on the new waiver agreements.

SUBSTANTIVE

- The "trading deadline" is now July 31. Waivers are required for any inter- or intra-Major League assignment during the period beginning August 1 and ending at 5 pm ET the day after the end of the season. During the other ten months of the year no waivers are needed.
- It will be easier to compute which players need waivers before they may be optioned: if three years (less one for each previously spent on option) have elapsed since the player actually reported to the Major Leagues for the first time, waivers are required. The date of actual physical reporting will be used as the benchmark instead of the date the player was first placed on a club's 40-man roster.
- The procedure for outright assignments to the National Association remains unchanged from the 31st day of each season until August 31; during this period, ordinary waivers are required. However, from September 1 until the 30th day of the following season, special waivers are required:
- The club must tender a special waiver request specifying that waivers are requested for the purpose of outright assignment to the National Association. The claiming period, as with other waivers, is three business days, and an assignment pursuant to special waivers must be completed by 2 pm ET the seventh day after the waivers were secured.
- Seventy-two-hour waivers, secured on players recalled not to report, continue unaffected except insofar as they no longer suffice for an outright assignment to the National Association during those times in the year when special waivers are required.

PROCEDURAL

- Waiver requests deadline is now 2:00 pm Eastern Time.
- Claiming period is now three business days for all waiver requests, including "special waivers" and waivers for the purpose of unconditional release.
- AL Only and NL Only waivers have been abolished.
- In the event of claims, withdrawals period is two business days.
- A club may withdraw once per waiver period on any one player.
- New waiver periods:
  November 11-30th day of season
  31st day of season-July 31
  August 1-November 10
- "Special waivers" and waivers for the purpose of unconditional release may both be requested during the closed period, October 10-November 10.
- Waiver price for selected and draft-excluded players is now $25,000, and may be set by agreement ($20,000 minimum) in all other waiver assignments. Rules on priority of claim are unchanged.
- Closed period on selected and draft-excluded players now runs from October 10 through the 25th day before Opening Day, and no assignments may be made pursuant to such waivers until 15 days before Opening Day. "Dates to Remember", from the league offices, will specify the correct dates each year.

FREE AGENCY (RE-ENTRY): The 1985 collective bargaining agreement brought about changes in the free agency process. Following is the appropriate information:

Six years of Major League Service continues to be required to be eligible for free agency.

The Re-Entry Draft has been abolished.

A player has 15 days from the first day following the World Series to file for free agency.

By December 7, former club must offer to arbitrate or becomes ineligible to sign player. By December 19, player must accept offer or on January 9 former club becomes ineligible to sign the player. (Ineligible club regains eligibility the following May 1.)

If club and player proceed to arbitration, maximum salary cut rules do not apply.

Player who accepts former club's offer to arbitrate is not subject to repeater rights limitations.

SALARY ARBITRATION:

Beginning in 1987, three years Major League Service required for eligibility.

Beginning in 1987, maximum cut rules do not apply if in immediately preceding year player won arbitration increase of over 50%.

Beginning in 1987, arbitrator is officially instructed to give particular attention for purposes of comparison to salaries of players with Major League Service no more than one annual service group higher than player who is arbitrating.

FREE AGENT DRAFT RULE (AMATEUR DRAFT) - REVISED FOR 1987: One selection meeting shall be conducted each year in June to be known at the "Summer Meeting".

Major League Clubs shall select in reverse order of their league standing at the close of the preceeding season (determined by the percentage of games it won). No club may transfer to another club its right to select.

A selected player shall be placed on a club's Negotiation List and shall remain, thereon until the start of the Closed Period (The seven days preceding the Summer Meeting) of the next selection

meeting, unless at an earlier date he (1) signs a contract (2) is removed because he was not eligible for selection (3) becomes a College Player by entering or returning to college.
A club may not transfer its Negotiation Right to any other club.

REGULATION GAME: A regulation game consists of nine innings unless extended because of a tie score or shortened because (1) the home team needs none of its half of the ninth or only part of it; or (2) because the umpire-in-chief calls the game after five completed innings. A regulation game may be less than five innings if the home team is ahead after the first of the fifth, or takes the lead or ties the score while at bat in the fifth.

TIE GAME: A regulation game that is called by the umpire-in-chief when both teams have the same number of runs is a tie game. Individual player performances are official and are entered in the records, but the game does not count in the League standings and may be re-scheduled at a later date.

SUSPENDED GAME RULE:

Rule 4.12 SUSPENDED GAMES

(a) A league shall adopt the following rules providing for completion at a future date of games terminated for any of the following reasons:
  (1) A curfew imposed by law;
  (2) A time limit permissible under league rules;
  (3) Light failure or malfunction of a mechanical field device under control of the home club. (Mechanical field device shall include automatic tarpaulin or water removal equipment.);
  (4) Darkness because of any law, the lights may not be turned on.
  (a) (5) Weather, if the game is called while an inning is in progress and before it is completed, and one of the following situations prevails:
  (5) (i) The visiting team has scored one or more runs to tie the score, and the home team has not scored.
    (ii) The visiting team has scored one or more runs to take the lead, and the home team has not tied the score or retaken the lead.

(b) Such games shall be known as suspended games. No game called because of a curfew, weather, or a time limit shall be a suspended game unless it has progressed far enough to have been a regulation game under the provisions of Rule 4.10. A game called under the provisions of 4.12(a)(3) or (4) shall be a suspended game at any time after it starts.

(c) By amending NOTE to read as follows:
  NOTE: Weather and similar conditions—4.12(a) (1 through 5)—shall take precedence in determining whether a called game shall be a suspended game. A game can only be considered a suspended game if stopped for any of the five (5) reasons specified in Section (a). Any legal game called due to weather with the score tied (unless situation outlined in 4.12(a)(5)(i) prevails) is a tie game and must be replayed in its entirety.

(d) A suspended game shall be resumed and completed as follows:
  (1) Immediately preceding the next scheduled single game between the two clubs on the same grounds;
  or
  (2) Immediately preceding the next scheduled double-header between the two clubs on the same grounds, if no single game remains on the schedule, or
  (3) If suspended on the last scheduled date between the two clubs in the city, transferred and played on the grounds of the opposing club, if possible;
    (i) Immediately preceding the next scheduled single game, or
    (ii) Immediately preceding the next scheduled double-header, if no single game remains on the schedule.
  (4) If a suspended game has not been resumed and completed on the last date scheduled for the two clubs, it shall be a called game.

(e) A suspended game shall be resumed at the exact point of suspension of the original game. The completion of a suspended game is a continuation of the original game. The lineup and batting order of both teams shall be exactly the same as the lineup and batting order at the moment of suspension, subject to the rules governing substitution. Any player may be replaced by a player who had not been in the game prior to the suspension. No player removed before the suspension may be returned to the lineup. A player who was not with the club when the game was suspended may be used as a substitute, even if he has taken the place of a player no longer with the club who would not have been eligible because he had been removed from the lineup before the game was suspended.

4.11(d)

A called game ends at the moment the umpire terminates play. **EXCEPTION:** If the game is called while an inning is in progress and before it is completed, the game becomes a SUSPENDED game in each of the following situations:

(1) The visiting team has scored one or more runs to tie the score and the home team has not scored.

(2) The visiting team has scored one or more runs to take the lead and the home team has not tied the score or retaken the lead.

DISABLED LISTS: REGULAR DISABLED LIST: The 21 and 30 day disabled lists were eliminated in August 1990. The 15 day list may be used for as many players as needed

EMERGENCY DISABLED LIST: Maximum number of players on list at one time-no limit. Minimum period of inactivity-sixty (60) calendar days. Players placed on this list after August 1st shall remain there for the balance of the season. This list may only be used when a club is at the maximum limit of 40 players.

AMERICAN LEAGUE CURFEWS: No inning of an American league night game can start after 1:00 a.m., local time. Any inning started prior to 1:00 a.m. can be completed. Curfews shall be waived for the final series of the season between two teams in each of the cities.

Any game, regardless of length, called because of the time curfew, becomes a suspended game and must be completed from the exact point of interruption before the teams play their next scheduled game against each other.

DEFINITION OF NIGHT GAME: Any game scheduled to start after 6:00 p.m. (i.e. 6:01 p.m., or later), will be considered a night game. If a game is scheduled to start at 6:00 p.m., and is delayed by rain or for any other reason, it will be considered a day game.

However, both games of a twi-night doubleheader shall be considered night games. When afternoon and night games are played on the same date and separate admissions are charged, they will be counted as one day and one night game, and will not be included in doubleheader statistics.

BATTING CHAMPIONSHIP QUALIFICATIONS: A batting champion must have 502 or more actual plate appearances. (The equivalent of 3.1 appearances for each of the 162 scheduled games.). If, however, there is any player with fewer than the required number of plate appearances whose average would be the highest if he were charged with the required number of official at bats, then the player shall be awarded the batting championship.

EARNED-RUN AVERAGE CHAMPION QUALIFICATIONS: To win the earned-run average championship a pitcher must pitch at least as many innings as the number of games scheduled for each club in his league that season and have the lowest earned-run average.

FIELDING CHAMPIONSHIP QUALIFICATIONS: The individual fielding champions shall be the fielders with the highest fielding average at each position, provided:

(1) A catcher must have participated as a catcher in at least one-half the number of games scheduled for each club in his league that season;

(2) An infielder or outfielder must have participated at his position in at least two-thirds of the number of games scheduled for each club in his league that season;

(3) A pitcher must have pitched at least as many innings as the number of games scheduled for each club in his league that season. **EXCEPTION:** If another pitcher has a fielding average as high or higher, and has handled more total chances in a lesser number of innings, he shall be the fielding champion.

DETERMINING THE MAGIC NUMBERS: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

DETERMINING BATTING AVERAGE: Divide the number of at bats into the number of hits.

DETERMINING AN EARNED-RUN AVERAGE: Multiply the number of earned runs by nine; take the number and divide it by the number of innings pitched.

DETERMINING SLUGGING PERCENTAGE: Divide the total bases of all safe hits by the total times at bat. (At bats do not include walks, sacrifices, hit by pitcher, or times awarded first base because of interference or obstruction.)

DETERMINING ON BASE PERCENTAGE: Add the total of hits, walks and hit by pitches and divide by the total of at-bats, walks, hit by pitches and sacrifice flies.

DETERMINING FIELDING AVERAGE: Divide the total putouts and assists by the total of putouts, assists and errors.

DETERMINING PERCENTAGE OF GAMES WON AND LOST: Divide the number of games won by the total games won and lost.

CONSECUTIVE HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit. The player's individual consecutive-game hitting streak shall be determined by the consecutive games in which the player appears and is not determined by his club's games.

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

SUSPENDED GAMES: For the purpose of this rule, all performances in the completion of a suspended game shall be considered as occurring on the original date of the game.

"SAVE" RULE: A pitcher shall be credited with a save when he meets all three of the following conditions:

(1) He is the finishing pitcher in a game won by his club, and

(2) He is not the winning pitcher, and

(3) He qualifies under one of the following conditions:

(3) (a) He enters the game with a lead of no more than three runs and pitches for at least one inning, or

(b) He enters the game regardless of the count, with the potential tying run either on base, at bat, or on deck (that is, the potential tying run is either already on base or is one of the first two batsmen he faces), or

(c) He pitches effectively for at least three innings.

DESIGNATED HITTER RULE: A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role.

The designated hitter is eligible for all American League batting titles.

The designated hitter named in the starting lineup must come to bat at least one time, unless the opposition changes pitchers.

SCORING RULE ON PINCH-HITTERS: A player shall be considered a pinch-hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared he will not be considered a pinch hitter during that second time up.

A substitute hitter for a Designated Hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a Designated Hitter only.

EARNED-RUNS RULE: The determination of earned-run is as follows:

'An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls; and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play.'

Until 1969, the reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up in that inning. Now, runs, scored by batters who reach base off the reliefer are charged as earned

on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against a team and the sum total of the earned-runs charged against the individual pitchers of that team.

DOCTORED BAT: A batter is out for illegal action when he uses or attempts to use a bat that, in the umpire's judgment, has been altered or tampered with in such a way to improve the distance factor or cause an unusual reaction on the baseball. This includes bats that are filled, flat-surfaced, nailed, hollowed, grooved or covered with a substance such as paraffin, wax, etc. No advancement on the bases will be allowed and any out or outs made during a play shall stand. In addition to being called out, the player shall be ejected from the game and may be subject to additional penalties as determined by his League President. (Rule 6.06d).

DETERMINING A "MAJOR LEAGUE YEAR": 172 days constitute a full year in the major leagues.

MAJOR LEAGUE SERVICE:

is credited for each day the player appears on an active roster or major league disabled list or suspended list.

in the case of a player called up from the minor leagues, is credited beginning with the date he physically reports.

in the case of a major league player who is traded and reports in the normal course, service is not interrupted.

in the case of a player sent down to the minor leagues, is credited through the date of the assignment.

in the case of a player who is unconditionally released, is credited through the date waivers were requested.

in the case of a player designated for release or assignment (MLR 2), is credited after the designation, through the date of the actual assignment or the request for unconditional release waivers.

for a player who appears on his club's opening day roster, is credited as of the earliest scheduled opener, without regard to the actual opening date of his own club.

is credited at the rate of 172 days per "year", though the season is actually 182 days long.

is not credited during any period or periods of optional assignment totalling 20 days or more during a single season.

ROOKIE QUALIFICATION: A player shall be considered a rookie unless, during a previous season or seasons, he has (a) exceeded 130 at bats or 50 innings pitched in the major leagues; or (b) accumulated more than 45 days on the active roster of a major league club or clubs during the period of a 25-man limit (excluding time in military service) and time on the disabled list.

GAME WINNING RBI: The RBI that gives the club the lead it never relinquishes. (Note: There does not have to be a game-winning RBI in every game and all game-winning RBIs must conform to RULE 10.04).

PLAYING RULES:

Spectator Interference—batter, runner and other runner(s) will be placed at the base(s) which the umpires feel they would have reached with no interference.

Time—ball is dead, play suspended. This sign used when ball is foul, umpire then pointing to foul territory.

Batted Balls Fair or Foul—if fair, umpire points to fair territory—if foul he raises arms overhead (as in "Time" above) and then turns and points to foul territory, and vocally calls "foul".

SCHEDULE: The AL schedule uses a balanced format in which each club plays twelve games against all 13 opponents, for a total of 156 games. This includes six home contests and six away against each opponent.

However, in order to reach the seasonal total of 162 games, it is necessary to add six games to the above 156 total. This is accomplished by having each club play six additional games within its division—three home and three away, one with each club in its division.

MINIMUM SALARY: The minimum rate of payment to a player for each day of service on a Major League Club for the 1994 season is $109.000 U.S. Funds.

TERMINATION PAY: One full season's pay if player released opening day or later. Thirty days pay for player who is released on the 16th day before opening day or earlier. If players is released after that 16th day prior to opening day he receives one additional day's pay (over the 30 days) for each additional day.

RAWLINGS GOLD GLOVE AWARD

JESSE BARFIELD (OF) and TONY FERNANDEZ (SS) in 1986 became the first Blue Jays in the club's history to win Gold Gloves. Both BARFIELD (OF) and FERNANDEZ (SS) were repeat winners in 1987. Fernandez went on to capture honours in 1988, and 1989. KELLY GRUBER (3B) captured his first Gold Glove in 1990. Since the 1991 season, both ROBERTO ALOMAR (2B) and DEVON WHITE (OF) have won 3 consecutive Rawlings Gold Gloves

The famous Rawlings Gold Glove Award, symbolic of fielding excellence, was first introduced by Rawlings in 1957. One major league team was selected the first year and included players like Gil Hodges, Nelson Fox, Roy McMillan and Frank Malzone in the infield, Willie Mays, Al Kaline and Minnie Minoso in the outfield, Bobby Shantz on the mound and Sherm Lollar behind the plate.

Since 1958, the Rawlings Gold Glove Award© has been presented annually to the eighteen players, nine in each league, by position. These outstanding players are judged and selected as the best fielding players at their respective position by the major league coaches and managers prior to the conclusion of the regular baseball season. Managers and coaches may not select players from their own club and only vote for players in their own league. Votes are tabulated for Rawlings by The Sporting News.

FREE AGENCY

Free agency came about in 1976 when 244 players refused to sign contracts and opted for, at season's end, the right to participate in a re-entry draft.
That draft took place in New York on November 4. Clubs were permitted to select players with whom they could negotiate. There was no compensationn for clubs who lost players in this draft.

In later years, the draft was abolished and compensation was required.
Other than signing their own players who had opted for free agency and free agent players signed after being released, the Blue Jays' involvement in the free agent market has been:

Signed for:

1977	Luis Gomez	from ATLANTA BRAVES
1984	Dennis Lamp	from CHICAGO WHITE SOX
1991	Ken Dayley	from ST. LOUIS CARDINALS

Jesse Barfield completed the trio of home runs with one to right field on a 0-1 pitch. All three home runs came off RHP Mike Warren. Final score of the game was Oakland 7, Toronto 4. The last time was September 12, 1987 vs the Yankees at Exhibition Stadium. With two out in the eighth inning Ernie Whitt hit a three run home run against Tom Fulton. The first Blue Jays game ever played was on March 11, 1977 at Grant Field. The Blue Jays defeated the New York Mets 3-1.

GRANT FIELD EXPANSION

The Blue Jays play their spring exhibition games at the newly expanded and modernized DUNEDIN STADIUM at GRANT FIELD.

Since 1977 the Blue Jays played at Grant Field with a seating capacity of 3,417.

The City of Dunedin, at a cost of approximately $2.4 million provided a new stadium in 1990 to be called Dunedin Stadium at the same location as Grant Field, at the corner of Douglas Avenue and Beltrees Street.

The new stadium was designed by the architect firm of JOHNSTON DANA ASSOCIATES and was built by CASE CONTRACTING Company of Plant City, Florida.

The old structure came down in the first weeks of September 1989.

Some of the features of Dunedin Stadium:

—a symmetrical 'U'-shaped structure with four entrance ramps
—total capacity is 6,218
—seats are arm chairs (4480) with top eight rows under cover
—bleacher seats (1698) are located along first base/left field lines
—grade level area for wheelchairs (20 plus 20 for attendants)
—upgrade in lighting standards adequate for AA and AAA
—two new concession stands
—new public restroom facilities
—first-aid room
—security office
—ticket windows
—TV/photographer pits
—press box provides two radio booths, one television booth plus seating for 25 members of print and electronic media
—media workroom and lounge for hospitality
—umpires room

The actual playing field remained the same as did Blue Jays and visitors clubhouses.

As well as the Toronto Blue Jays, the Dunedin Blue Jays of the Class A Florida State League play at Dunedin Stadium.

The Toronto Blue Jays have committed to the City of Dunedin to continue to play spring exhibition games at Dunedin Stadium through 1999.
